24 I, Dewey Evans declare as follows:

25 1. I am the Chief Executive Officer of the Seaside Basin Watermaster  
26 ("Watermaster"). I report directly to the Watermaster Board of Directors. I have personal  
27 knowledge of the following, and, if called as a witness, I would and could testify competently to the  
28

1 following:

2 2. The Watermaster Board of Directors has requested that the City of Seaside, on behalf  
3 of Watermaster, file an application for an extension of time for Watermaster to file its Annual  
4 Report for Water Year 2009/2010.

5 3. An extension of time would allow Watermaster more time to prepare and have the  
6 Board of Directors time to review, analyze, discuss and approve the Watermaster's Annual Report  
7 for Water Year 2009/2010. It would also allow time for public review and input into that process.

8 4. Due to differing interpretations of what constitutes "Available Replenishment  
9 Water" for the Seaside Basin, the "Declaration of Replenishment Water Available for Water Year  
10 2010/11" that was on the Board's November 3, 2010 Board of Director's agenda was disputed and  
11 as such the Declaration was not approved by the Board. As a result, the Annual Report that was  
12 also on the same agenda for Board consideration was also not approved.

13 5. The Board has requested that the definition of "Available Replenishment Water" be  
14 clarified and that once this is done, the Declaration and the Annual Report be revised accordingly  
15 for their December 1, 2010 regular Board meeting.

16 6. The time allowed between the end of the Water Year, September 30th to the court's  
17 deadline for the Annual Report, November 15<sup>th</sup>, does not allow Watermaster staff enough time to  
18 organize necessary information from the water producers in the Seaside Basin. Watermaster also  
19 needs more time to organize the necessary reports from consultants, other agencies, standing and ad  
20 hoc committees and others to adequately prepare the Annual Report and have it reviewed by the  
21 Board and the public before the filing deadline.

22 I declare under a penalty of perjury under the laws of the State of California that the  
23 forgoing is true and correct, and that this declaration is executed this 1<sup>st</sup> day of November, 2010 at  
24 Seaside, California.
