CLERK OF THE SUPERIOR COURT
COUNTY OF MONTEREY

The Court has completed its review of the Seaside Basin Watermaster Annual Report-2011. There are two items that require further information:

1. Attachment 8, Page 9 contains a table for the Fiscal Year 2012 Adopted Replenishment Fund Budget which reflects that a substantial amount of money was on hand in the Replenishment Fund at the close of WY 2011. The Court does not recall receiving any information in prior years, nor in the present Annual Report, regarding how funds generated by the replenishment assessments are being invested, nor what is being done to explore replenishment options.

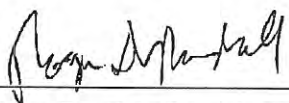

2. Attachment 12, Page 3 recommends that Sand City's Public Works well be re-sampled within the month.

The Court directs the Watermaster to supply it with further information regarding use and investment of the Replenishment Fund, and to provide the results of the re-sampling of the Sand City well (and analysis of same) within 30 days of this minute order.

Aside from the noted items the Court approves the Annual Report-2011.

The Court hereby designates Attorney, Sheri Damon, to prepare notice to all parties accordingly. //
