

NOTICE TO ALL SEASIDE GROUNDWATER PRODUCERS:

The Watermaster, as of January 1, 2009 hereby declares that **NO** Artificial Replenishment Water is available:

- a. The Watermaster has not secured nor is adding an equivalent amount of Non-Native water to the Basin on an annual basis.
- b. The Watermaster has not secured reclaimed water in an equivalent amount and has not contracted with one or more of the Producers to utilize said water in lieu of their Production Allocation, with the Producer agreeing to forego their right to claim a Stored Water Credit for such forbearance; and
- c. No combination of a and b has resulted in the decrease in Production of Native Water required by this decision; or
