this Notice. Hard copies of the 12 attachments to the Report, consisting of approximately 140 pages, are available upon request from the Watermaster Administrative Officer, and may be accessed electronically on the Watermaster's website, <http://seasidebasinwatermaster.org>.

Watermaster will file and serve a status conference statement in advance of the March 17, 2017 status conference, which will include an update on the groundwater conditions and other matters discussed in the Annual Report. The statement will also include responses to the Court's information requests set forth on the record during the status conference held on June 17, 2016.

Respectfully submitted,

Dated: December 14, 2016
