ATTACHMENT 1

Detailed Scope of Work for RFS No. 2008-02

Background:

PROFESSIONAL prepared a database (Database) for WATERMASTER in 2007. In the course of using the Database, WATERMASTER has identified certain improvements it wishes to have made to this Database. Performing the work to implement these improvements is outside of the scope of PROFESSIONAL’s prior contract authorizations.

Scope of Work:

The purpose of this RFS No. 2008-02 is to authorize PROFESSIONAL to perform the work to make these improvements to the Database. This Scope of Work is described in the table below.

Termination and Nullification if Work Not Completed on Time:

In the event PROFESSIONAL fails to complete the work described in the attached table and in the preceding paragraph (Scope of Work) by December 15, 2008, this RFS No. 2008-02 shall become null and void, and WATERMASTER shall have no obligation to make any payments to PROFESSIONAL for any work performed under this RFS No. 2008-02.
